

Membership Benefits

Oracle Academy membership offers educational institutions and educators free computing education resources for the classroom to help increase knowledge, skills development, innovation, and diversity in technology fields.

Oracle Academy Institutional membership is free and offers institutions and their educators access to world-class technology and software, expert curriculum, teaching and learning materials, professional development, Oracle professional certification resources, member recognition, and a wealth of classroom resources for their students.

Educators are able to share with students many of these benefits, including study resources, Oracle certification learning materials, software licenses, Oracle Application Express (APEX) workspaces for hands-on practice, Oracle Academy Cloud Program, and much more.

INSTITUTIONAL MEMBERSHIP BENEFITS

Curriculum focused on object-oriented programming (Java); database design, modeling, and programming (SQL and PL/SQL); and emerging technologies including artificial intelligence and machine learning, big data and more

Access to the **Oracle Academy Cloud Program**, which provides access to the Oracle Cloud Free Tier, including Compute Virtual Machine and Oracle Autonomous Database for teaching and learning

Oracle Academy Education Bytes—modular learning resources that include hands-on labs, projects and challenges, and videos and presentations—with answer guides and lab solutions—that educators can use to enhance classroom learning

Oracle Academy Application Express (APEX) workspaces for educators and students to work in the Oracle Database Cloud, plus technical support
